

Referral Fees

We carefully select suppliers and service providers to ensure they meet the highest standards of service and compliance.

We may receive a referral fee from these approved suppliers and providers. A referral fee is any commission, payment, fee or other reward we received from other companies in return for recommending their services to you.

This fee does not affect the final amount you pay the provider. You are not under any obligation to use the services of any of the approved providers, however we believe that you may benefit from using these services.

Service	Fees
Mortgages	25% of Brokers fees + VAT
Conveyancing	£100 to £150 + VAT per referral
Surveyors	No fee/commission received
EPC Assessors	£20 + VAT
Trade Contractors including suppliers of Gas Safety, Energy performance Certificates, Electrical safety, maintenance and repairs	The amounts we receive vary accordingly the value of works undertaken. Typically, we will receive up to 10% of the amount of the invoice. This is not passed onto our clients within the invoice, it is a profit share arrangement and is regulated by a service level agreement.
